Directions from Ewell West train station (about 10 minutes) (from Waterloo)

Come out of station on the main exit side not where the alley way is.  
At main road turn left and walk down to traffic lights.  
Here the road splits into a fork – take the right fork.  
Soon after on your left is a turning, which looks like you are going into a car park – it has half iron gates in a greeny colour, which are, open. This is the car exit to Bourne Hall and is a good short cut for you.  
Walk through car park and diagonally across is the exit.  
(If you miss this bit then you'll just follow the road round to this point)  
Turn left out of car park  
End of road – turn right  
Go past local village shops.  
Cross over at the pedestrian lights opposite the chemist & health food shop  
Up to mini roundabout – Star pub directly opposite you  
Keep left at the roundabout - this is Cheam road  
Past the Subaru garage on your right, a car park on your left  
Next to the car park is a church - Christchurch Ewell  
Cheyham lodge is next to the church

Directions from Ewell East Station (about 5 minutes) (from Victoria)

Out of station on car park side (not the side going to Nescott college).  
End of road turn left  
Get to big road junction (dual carriageway)  
Cross straight over into Cheam Road  
In about 150 meters you will see a Subaru garage on your left and a car park on your right.  
Immediately before the car park is a church - Christchurch Ewell  
Cheyham lodge is just before the church

Directions from Junction 8 on the M25 – CLOCKWISE - coming from Dartford Tunnel direction

Take the last exit off the roundabout - A217 towards Sutton  
Carry on this road (dual carriageway) for about 3 miles - you will go over at least two roundabouts.  
You will then get to a set of traffic lights - you need the left hand lane - it goes into a left hand filter.  
At these traffic lights turn left on to the A240 - Reigate Road  
Carry along this road for another 3-4 miles. You will go over roundabouts and cross some traffic lights.  
When you see Nescott training college on your right - immediately after that is a roundabout (petrol station opposite with Tesco shop and Homebase on the other side of the roundabout).  
At this roundabout take the third (last) exit on to the A24  
At the next set of traffic lights turn left into Cheam Road.  
About 3-400 yards down on the right hand side is Cheyham Lodge.  
If you get to a mini roundabout you have gone too far.  
Just before the Subaru garage on your left there is a car park (on your right). Park the car here.  
Next to the car park (coming back on yourself) is a church - Christchurch Ewell

Cheyham lodge is next to the church

Directions from M25 – ANTICLOCKWISE - coming from Heathrow direction

Leave the M25 at junction 10 and take the left exit joining the A3 towards London. Leave the A3 after 9 miles at the Tolworth (Tower) exit marked A240. Take the A240 towards Sutton (3<sup>rd</sup> exit).

Continue on this dual carriageway (it starts off as the Kingston Road and then goes into the Ewell bypass and then the A24). You will cross over a few sets of lights and roundabouts.

You will come to a large set of traffic lights where there is Shurgard Storage on your left, and a Honda car sales garage on your right. Turn right here (it has it's own set of traffic lights for turning right). Follow this road round, past a church on your left and then the Spring Tavern pub on your right. At the next set of traffic lights, stay in the left hand lane but continue following the road. You will pass some local village shops (chemist & health food shop on your right). Continue on up to mini roundabout – HSBC is on your left and the Star pub directly opposite you. Keep left at the roundabout - this is Cheam road. Past the Subaru garage on your right, a car park on your left. Next to the car park is a church - Christchurch Ewell. Cheyham lodge is next to the church
